Omschrijving:

The Inbetween is a new building in the Frankfurt train station district and fits into the modern flow of the urban inner city architecture. The plaster façade will be designed in different colors for each house and will have clinker brick strips on the first floor and second floor, which are typical for Frankfurt. Windows, balconies and loggias alternate rhythmically with each other to create a coherent formal language. High quality furniture, furnished by an interior designer (Scandinavian style): High quality sofa bed (hotel quality), comforter and pillow, table and chair, balcony furniture, kitchen and utensils with counter, bar stool and two ceramic hobs, vacuum cleaner, ironing board, Nespresso machine, oven, sink and fridge-freezer, Bathroom with shower, towels and bathroom towels, laundry basket, wash basin and toilet, cupboards and shelves as well as of course mirrors and lighting, own storage space in the basement, for residents public bicycle stands in the underground garage, underfloor heating. The apartment is flooded with light thanks to floor-to-ceiling windows and has a very modern design. The attractive room heights create an open and friendly atmosphere and make the apartments a perfect home. Extra space is offered by the balcony. The location could not be better: Between the Frankfurt train station district and the banks of the Main river, everyone will find their favorite spot. Central location between BHV and Main Very good transport connections Very good public transport connection 24-hour shopping Local supply Very good infrastructure
