Accommodation for up to 4 workaholics The house from 1915 was inaugurated by the emperor. At that time the accommodation served as home for the "higher" officials. Newly renovated and furnished in early 2023, the light industrial look fits the 100 year old construction. Only a few meters to the downtown area. There, discount stores and restaurants of various nationalities await your visit. Especially recommendable is the restaurant "Outer Roads" in the 500 meters distant \*\*\*\* Hotel "River Loft". The ferry to the south side of Brunsbüttel is only a few minutes walk away. Of course you can do all the ways with your own car parked on the property. If you don't have your own car, the next rental station is at the Hotel River Loft. First move in freshly renovated and newly equipped apartment. The apartment is located in the historic civil service district with short distances to the center of the lovely lock city on the Kiel Canal. A total of 4 high quality equipped rooms + kitchen and bathroom can be inhabited. Internet-capable TV awaits you in each bedroom. Pictures of the new box spring beds and the furnishings with industrial charm will follow after completion in Januar 2023.
