Omschrijving:	

This modern ground-floor apartment offers everything you need for a comfortable stay in Leipzig, but due to its lively location, it is not suitable for business travelers seeking peace and quiet. With a size of 38 m², it is ideal for a single person or a couple looking for a well-located apartment for an extended stay. The apartment is located in Leipzig-Plagwitz, a trendy district known for its creative atmosphere and vibrant life. It is situated on a busy street, so you are close to many amenities and enjoy excellent access to public transportation. However, the lively environment also brings a certain level of noise, which makes the apartment less suitable for guests seeking peace and solitude. The apartment is open and bright, featuring a cozy sleeping area with a large double bed and plenty of storage space for personal items. The modern kitchen is fully equipped, allowing you to prepare your meals comfortably. The bathroom includes a shower, toilet, and sink, and is well-equipped to make your stay as pleasant as possible. The apartment is perfect for guests who enjoy living in the heart of a creative and vibrant neighborhood and are eager to dive into the exciting atmosphere of Plagwitz. Those seeking a quieter, more secluded environment might want to consider another accommodation option.
