Omschrijving:

Inside the commercial and residential courtyard on Liethberg, areas of the building have been converted into loft apartments. The commercial courtyard offers space for living and working; a music store, photographers and galleries can be found here, as well as private apartments and rooms for fitters. The apartment with 2 double rooms is ideal for 2- 4 people. The kitchen is spacious and has a washing machine and dryer. There are single beds, wardrobes and chests of drawers in each room. The open kitchen with dining area and Smart TV serves as a lounge area outside the bedrooms. The location is attractive in many respects: Both the A23 to Hamburg/Heide, as well as the B5 to Brunsbüttel/Meldorf offer great connections. In addition, the 206 and the 77 lead further into the interior of Schleswig-Holstein. With Holcim in Lägerdorf and the suburbs of Breitenburg and Kremperheide, Itzehoe is a real hub! Industry is not the only attraction here, as Itzehoe is also a science and technology location, characterized by the Fraunhofer Institute (ISIT) Shopping facilities, DIY stores and petrol stations are all within a 2 km radius. Not far from the Gewerbehof, there is also a previously undeveloped area near the Stör river where you can take a leisurely stroll in the countryside. The beach club "Hafen 53" with a view of the water has a good gastronomic offer in summer.
