Omschrijving:

The promotion consists of 123 multi-family homes, all of them with a terrace, garage space and storage room. The project stands out for its contemporary architecture and the southwest orientation of all the buildings, aimed at improving the energy efficiency of both homes and green areas. Among the common areas of the development, the green areas, the gardens with pedestrian paths as well as the two swimming pools stand out. . . The price does not include taxes or expenses. The ITP must be added to the purchase in second-hand homes, in New Construction homes the VAT and AJD and in both cases the notary and registration fees.. The offer price may be modified or canceled without prior notice. All the exposed data are merely indicative.
