Property Overview Discover this sun-drenched triplex home located in one of the most peaceful gated communities of Orihuela Costa — Amapolas VI. This corner-style property spans three levels, offering generous interior space and a total of three private terraces, including a rooftop solarium with open views. Recently enhanced with stylish decor and modern touches, this home is sold fully furnished and ready to move in, making it a rare opportunity for families, remote workers, or investors seeking spacious living in a secure, well-maintained urbanisation.

Real Dimensions While the property's original registry documents reflect a smaller built area, a full internal and external measurement confirms an approximate usable interior space of 107 m², plus around 65 m² of private outdoor terraces spread across all three levels.
