An exceptional two—bedroom apartment for sale in the Rutland Bay complex, Ravda is a great offer for those who are looking for comfortable accommodation by the sea with an atmosphere of spaciousness, comfort and beauty.

The highlight of this property is a luxurious, fully renovated 20 sq.m terrace with sea, lighthouse and sunset views. This is not just an additional space — it is a real outdoor recreation area where you can greet the morning with a cup of coffee or enjoy the sunsets by the sea.

The layout of the apartment is thought out to the smallest detail: a spacious entrance hall, a bright living room with a kitchen area, two isolated bedrooms, a sanitary unit with a shower cabin and another cozy terrace, which gives additional privacy. All rooms are filled with light, air and a warm, homely

atmosphere.

The Rutland Bay complex is an oasis of peace and greenery just a few steps from the seashore. There is everything for quality recreation and life: an outdoor swimming pool, a barbecue area, a playground, a well-maintained territory, 24-hour security, reception, free Parking even in season. The architecture of the complex is designed in a modern, concise style, creating a sense of tranquility and privacy.

Ravda is a resort with character: wide sandy beaches with a gentle entrance to the water, quiet and relaxed atmosphere, small family cafes, fresh pastries, fruit stalls, friendly neighbors and a leisurely pace. It is an ideal place to live or relax without the tourist fuss, but at the same time with excellent infrastructure and quick access to Nessebar, Sunny Beach and Burgas.

The apartment is suitable both for personal use and as an investment — objects of this level in the complex appear extremely rarely. The distance to Burgas Airport is 22 km, and to Varna Airport is 107 km.

The unique combination of panoramic views, a successful layout, an updated terrace and the infrastructure of the complex makes this offer truly rare and attractive.
