Omschrijving:	

in the heart of the lush green Mouresi, in the magnificent Pelion, a newly built two-level stone detached house is for sale, built with an emphasis on quality and aesthetic detail, respecting the traditional architecture of the place. Amongst centuries-old trees, flowers and aromas of the Pelion nature, the house offers an absolute sense of tranquility and privacy. The stone walls, wooden elements and careful details create an atmosphere of warmth and authenticity, combining traditional aesthetics with modern comfort. The property consists of two levels which are analyzed as follows: On the ground floor we find a living room with kitchen, a bathroom and two bedrooms. On this level externally we will also find an external storage room-laundry room. The second level consists of a living room with fireplace, a small kitchen, a bathroom and an attic which is used as a bedroom. On this level there is also a large balcony. The two levels are connected via an internal staircase but can also operate independently as they have separate entrances. Externally, the property has two courtyards and two parking spaces. An ideal choice for those looking for a peaceful place to stay or escape, with easy access to the picturesque paths, the nearby beaches of the Aegean and the traditional villages of Pelion.
