Omschrijving:	

in the heart of the lush green Mouresi, in the magnificent Pelion, a newly built two-level stone detached house is for sale, built with an emphasis on quality and aesthetic detail, respecting the traditional architecture of the place. Amongst centuries-old trees, flowers and aromas of the Pelion nature, the house offers an absolute sense of tranquility and privacy. The stone walls, wooden elements and careful details create an atmosphere of warmth and authenticity, combining traditional aesthetics with modern comfort. The property consists of two levels which are analyzed as follows: On the ground floor we find a living room with a fireplace in an integrated layout with the kitchen, a bathroom and a bedroom. On this level externally we will also find a courtyard with lawn. The second level consists of a living room with a fireplace, a kitchenette, a bathroom and an attic which is used as a bedroom. On this level there is also a large balcony. The two levels are independent of each other with separate entrances. Externally the property has two courtyards, parking and a large plot for the creation of extra structures. Within its plot there are active building permits for two more houses (a house of 92.6 sq.m. on two levels and a ground floor of 55.4 sq.m.) An ideal choice for those looking for a peaceful place to stay or escape, with easy access to the picturesque paths, the nearby beaches of the Aegean and the traditional villages of Pelion.
