Omschrijving:

Nestled in the vibrant resort of Vilamoura, this stunning 2-bedroom, 2-bathroom apartment is a true gem waiting to be discovered. Boasting a spacious house area of 125 square meters, this used property is in impeccable condition and comes fully furnished with modern amenities.

Step inside and be greeted by a bright and airy open-plan living and dining area, ideal for entertaining guests or simply relaxing in style. The kitchen is large with built in storage and modern appliances. Off the kitchen you will find a closed terrace which is perfect for drying laundry. There is also an additional drinks fridge.

There are 2 large bathrooms that have been beautifully renovated to high standards. Each bathroom has a large walk in shower and under floor heating.

Each large bedroom has built in storage, terrace access and air conditioning.

Our favourite feature of this apartment is the enormous terrace with pool views, perfect for enjoying the warm Algarve sun. From the terrace you can step down to the perfectly landscaped garden which leads to the swimming pool.
