Omschrijving:

It sounds like an amazing opportunity! This property in Beziers has a lot of potential. With its central location on one of the busiest shopping streets, there's plenty of foot traffic, making it a great option for a commercial venture, such as a boutique or showroom. Alternatively, if you're interested in turning it into a home, the 200m2 of space, character features like the stone walls, and modular layout could make for a fantastic apartment in a prime location.

If you're considering purchasing it, the large floor area allows for many possibilities, from an open-plan design to more separate, functional rooms for either business or living purposes.
