Omschrijving:

Finely restored ancient stone country hamlet with winery in the Chianti Classico Senese area. Privileged location on a hilltop with panoramic views of vineyards, surrounded by greenery but within just a walking distance from the charming historic center of Radda in Chianti, midway between Siena and Florence. A small jewel of over 20 hectares with vineyard and olive grove as well as beautiful stone houses dating from the late 1700s. The two-storey former farmhouse and the former barn have been superbly renovated into self-contained residencies totaling 665 sq m/1643 sq ft with 13 bedrooms, most en-suite. The garden surrounding the residences is landscaped with Mediterranean plants and includes a sundeck and an off-ground swimming pool. Two agricultural annexes are used as storage and garaging farm vehicles. The surrounding private land, in a terrific and exquisite position, makes up the estate: 14 hectares (34,59 acres), a good 2.9 hectares (71,66 acres) are devoted to the cultivation of native vines, aged from 8 to 21 years old, for a fragrant and intense Chianti Classico DOCG wine. Extra virgin olive oil DOP is also a protagonist on the farm with 700 olive trees in full production. With its top-quality Chianti Classico DOCG wine, extra virgin olive oil DOP and country resort hosting travelers from all over the world, this property is definitely the ideal choice for a private residence and holiday let, in one of the most sought-after places in Tuscany.
