Situated in the tiny beachside community of Playa Avellanas, the Drift Away Lodge offers you a fantastic income opportunity near some of Costa Rica's most beautiful and uncrowded beaches.

Situated in the tiny beachside community of Playa Avellanas, the Drift Away Lodge offers you a fantastic income opportunity near some of Costa Rica's most beautiful and uncrowded beaches. This boutique resort is a relaxing oasis where your guests can unwind and connect with nature. The resort was designed to have a minimal impact on the environment. Most of the materials used in construction were locally sourced, and recycled materials were used wherever possible. The swimming pool uses a UV and ionization cleaning and filtration process to minimize the use of harmful chemicals.

Nestled in a tropical paradise full of shady palms, the resort currently has 8 rooms and 4 private villas. All of the accommodations are decorated in a clean and simple style with furniture made by local craftsmen, touches of driftwood, and accented with calming colors. Each is outfitted with comfortable memory foam mattresses, plush hypo-allergenic feather pillows, air conditioning, a private bathroom, tables and chairs, and appliances for making tea or coffee. The 2 twin rooms, 2 queen rooms and 4 king rooms have mini-fridges. The 4 villas have 2 bedrooms each (1 king and 2 singles) and have stoves, refrigerators, and televisions. Guests can enjoy their coffee from rocking chairs on the villa's veranda! All the linens are

luxurious 100% organic cotton and the complimentary toiletries are organic and biodegradable. High speed internet is available throughout the complex, and Netflix can be accessed on the TVs.

The open-air bar and restaurant seat up to 40 persons and are serviced by a spacious and well-equipped kitchen. Your guests will enjoy lazy afternoons napping on the chaise lounges next to the royal blue pool, lulled to sleep by the sound of a waterfall. They will find the tranquility they seek in the yoga and meditation shala or on the pristine sands of the beach just a 3-minute walk away.

There is a parking area for 10 vehicles, and bicycles for the use of guests come with the property. Additional structures house a laundry, stockroom, employees' dining room and living quarters, and there are 2 maintenance sheds. Owner's or manager's quarters are over the reception area.

This is a successful, turn-key boutique resort, ready and waiting to provide you with a home in paradise and the opportunity to share it with others.
