Omschrijving:	

In the picturesque Greek town of Ioannina, a double property (ready ground floor residence + unfinished floor) is offered on a 316 sq. m. plot, ideal for family use or investment. It features autonomous oil heating, energy-efficient frames, a fireplace, and the possibility of completing the floor.

Property Description (Detailed):

The ground floor residence covers 97 sq. m. (built in 2002) and includes an open plan living room-kitchen, a bathroom, and two bedrooms. It has aluminum frames with double glazing and oil heating, as well as a fireplace.

The 1st floor (unfinished, 90 sq. m., built in 2016) includes provision for two bedrooms, a bathroom, kitchen, open plan living room, and two balconies with a roof. The thermal insulation, tile placement, and ceiling have been implemented. There is already an energy-efficient water fireplace, and provisions for a heat pump & solar water heater — providing flexibility for the future.

List of Advantages & Features:

- Plot: 316 sq. m.
- Double residence: Ground floor 97 sq. m. + Unfinished floor 90 sq. m.
- Heating: Autonomous oil + Fireplace + provision for a heat pump
