Freehold Jungle Sanctuary in Balian – 200 sqm Land Just Minutes from the Beach, Perfect for Your Dream Villa or Investment
Price at IDR 200 Million/are
Total: IDR 400 Million

Nestled in the serene and sought-after area of Tabanan – Balian, this freehold property presents an extraordinary opportunity for those looking to invest in the Bali real estate market. Priced at just IDR 200 Million/are, this 200 sqm plot of land offers a rare blend of seclusion, natural beauty, and proximity to the beach. Located only a 7-minute ride from Balian Beach, the land is surrounded by lush jungle, creating a tranquil retreat away from the hustle and bustle, yet still close to one of Bali's most popular expat communities. This property is perfectly positioned for buyers considering real estate investment in Bali. Whether you envision building a private residence, a tranquil holiday villa, or a boutique retreat, this land holds limitless potential. With the growing demand for Bali villas for sale and luxury properties for sale in Bali, owning land in this location is both a lifestyle choice and a secure investment.

For those exploring options in affordable Bali properties for sale, this plot represents exceptional value, while still offering the possibility of creating a high-end residence to match the standards of Bali luxury real estate. It is also an appealing choice for buyers searching for investment properties for sale in Bali, with strong potential returns due to its proximity to the beach and its peaceful surroundings. As the Bali

property market continues to thrive, opportunities like this are increasingly rare. Whether you are buying real estate in Bali for personal use, retirement, or as part of a larger portfolio, this plot offers both security and flexibility. Supported by reputable real estate agencies in Bali, this property would be a valuable addition to any collection of Bali real estate listings.
