Omschrijving:

Welcome to a thoughtfully designed two-bedroom villa in Ubud, where contemporary architecture blends seamlessly with natural textures. This residence is built to capture light and space, creating a serene atmosphere while staying connected to Bali's cultural and artistic pulse. The clean lines, large glass panels, and warm timber finishes give the home a modern yet inviting character, ideal for both living and investment.

Inside, the villa features an open-plan living and dining area with high ceilings and wide windows that allow natural light to pour in. The kitchen is finished with striking stone surfaces and sleek black fixtures, combining elegance and practicality. Floating timber stairs lead to the upper level, where two comfortable bedrooms with en-suite bathrooms provide privacy and calm. Each room is designed to maximize airflow and light, offering a refreshing indoor environment.

Outdoors, a private plunge pool is framed by lush tropical greenery, creating a relaxing retreat. The villa's minimalist facade, softened by wood accents and greenery, gives a sense of privacy while keeping a modern look. Its location in Ubud places you close to vibrant cafés, yoga studios, and artisan shops, while still being tucked away enough to enjoy peace and tranquility. Whether for personal use or as a rental property, this villa presents a well-balanced option with timeless design and strong appeal to travelers seeking an authentic Bali experience.
