OLVERA PROPERTIES LISTINGS FOR ALTERNATIVE PROPERTIES FOR SALE

We have known this house for many years, the house and the central location are both perfect for living permanently or a holiday home. If you want Church and Castle views, as well as Mountain and Village views, this is the one for you!

Sat on one of our favourite streets with far reaching views from the terrace as well as view up to the historic Centre of Olvera, with a dual aspect terrace, the property also benefits from a newly fitted kitchen and newly tiled floor just a couple of years ago. There is also a new electric water heater for the bathroom, with Aircon and heating in bedroom.

On entering the property off the street is the lounge, with plenty of light and character tiles, the staircase leads off this room as does the small second bedroom currently used as a reading snug, with small window to the amazing Sierra views.

Up the central staircase brings you into a light and bright breakfast kitchen with fully fitted units and Moroccan tiles, here is a seating area with a Juliet balcony, and leading views up towards the church in the castle.

On this floor, there is also the master bedroom with Aircon and heating unit, built in wardrobes complete this room with its own shower room ensuite, both with windows overlooking the mountain views.

Upstairs, takes you to the amazing roof terrace with fantastic views in all directions, a second bathroom is found on the top floor with laundry area, this is handy for the Terrace and also provides a space for terrace furniture to be stored, a retractable sun shade completes the terrace framing the views into the distance.
