Omschrijving:	

This 110sqm two-bedroom apartment is located on the 2nd floor of a building with elevator. Located in Tunes, this apartment is near to several services such as to the train station, highway, schools, pharmacy, health center, and shops, without compromising tranquility.

The apartment entrance is through a generous hall, with a closet for storage, and it is in this area that the apartment divides himself creating two distinct areas: bedrooms and leisure.

The bedrooms have built-in closets, one of which is a very spacious en-suite. The shared bathroom is also located in this area.

The spacious living room, with a heat recovery unit and balcony, is directly connected to the kitchen, which also has a balcony, being possible to create an open-plan space between these spaces. All rooms have pre-installed for AC, and the apartment also has a parking space in the building's garage.

For days with family and friends, you can enjoy the building's spacious shared terrace or reach the beaches or Albufeira in just a few minutes.
