Location and Surroundings

This apartment is part of a new residential project in the Kod r neighborhood right on Mitat Hoxha Street just 100 meters from the Ionian Sea and within a short walk from the port. The area has developed steadily in recent years with new buildings paved streets and all necessary services nearby. It s a well structured part of the city where daily needs like supermarkets caf s and small shops are only a few minutes away on foot.

Even in the summer when Saranda gets crowded this location remains quieter than the promenade. That balance makes it a smart choice both for year round living and for those thinking about rental potential.
