The Antonia complex is a modern residential complex located in the southern part of the resort of Sveti Vlas, in the Yurt area. It is located about 300 meters from the beach, in a quiet location next to the RIO Balneological complex. The complex consists of four buildings and offers a landscaped area with a swimming pool, a relaxation area, a restaurant, a cafe, a SPA center and a mini market.

More detailed description:

Location:

The southern area of St. Vlas, the Yurt area, near the beach (about 300 m).

Infrastructure:

Near the complex there is a forest park area, a hypermarket, a public transport stop, as well as transport links to Sunny Beach and Burgas.

Territory:

Fenced and guarded territory with a swimming pool, recreation area, restaurant, cafe and mini market.

Sveti Vlas is located 40 km from Burgas International Airport, 5 km from the largest and most bustling resort in the country — Sunny Beach and 9 km from the ancient and quiet Nessebar. Having "registered" at the green foot of Stara Planina on the Black Sea coast, the town has secured a reputation as an excellent balneotherapy center: it has a special microclimate combining a mild sea breeze enriched with iodine ions and the purest mountain air.
