retreat not far from Cagliari and from the sea.

\*\*Attention to aesthetics and functionality in outdoors\*\*

A lush Mediterranean garden with tall, well-kept hedges ensure maximum privacy to Villa Paula, on a 1200-sqm lot. In the garden, we also find paths paved with mosaic stone, fruit trees (carob, lemon, and mandarin) and native plants, with an irrigation system for easy management.

Stone insert complement the facades, repainted about two years ago, while an original round tower adds a distinctive touch to the architecture.

The outdoor spaces invite conviviality and relaxation: a large covered veranda offers an outdoor dining area, while a modern white pergola creates an additional shaded lounge area. A practical brick barbecue is also included, ideal for summer cookouts. Access to the property is through an electric gate, which opens onto a stone driveway leading to a large courtyard and the garage ramp.

\*\*Large, functional, and bright interiors\*\*

Villa Paula offers 340-sqm indoor space on three levels with an elegant internal staircase with wooden steps connecting them.

The basement is a versatile and spacious area that is well insulated and surrounded with a perimeter narrow courtyard. This level features a large tavern/living room with a fireplace, a bathroom/laundry room, and several storage rooms, ideal for any need. The large garage with a sectional swinging door (replaced three years ago) offers space for multiple vehicles and serves as a workshop/tool shed
