Door leads out to a side walkway which in turn opens out to a secluded garden with two well established mango trees and a beautiful bouganvilla. Upstairs you will find a further living room with doors out to a terrace with mountain views, three double bedrooms, a shower room, utility room with drying terrace. Parking is on road. The property is being sold part furnished. Electrics and plumbing have been replaced since the current owners took occupation.

This property is an ongoing project with lots of potential. Viewings by appointment only.

### Location

Mala is situated in the heart of the island's cochineal cultivation in the Municipality of Haria. Cochineal is an insect whose female lives on the cactus, and which produces the natural dye carmine. Carmine is

widely used as a colouring for a range of products including lipstick, sweets and toothpaste along with the drink Campari. Its nearest neighbours are the villages of Arrieta, Guatiza and Charco del Palo (a naturist resort), about 3 km away. Arrecife is approximately 23 km with a drive time of around 30 minutes. Mala is not a purpose built tourist resort, but more of a traditional Canarian town.
