Omschrijving:

With 126.29 m2, 2 bedrooms, suite, toilet, 2 parking spaces, Petrópolis neighborhood, NEW!

The residences of this Development bring a more practical housing proposal, where comfort, space and functionality coexist in harmony. The stepped façade gives personality to a project designed for the well-being of the residents. And the mini-penthouses are expanded with the presence of flexible and integrated spaces, present on the upper floors of iO.

In addition to the intelligent use of plants, the wide openings provide a visual integration with the neighborhood and allow the entry of plenty of light and natural ventilation to the internal environments.

Along with the condominium leisure areas, positioned on the rooftop, which have fitness, gourmet space and outdoor garden.

We also have options of 44m2 for 539mil.
