Omschrijving:	

This villa is named Cupula after the central feature dome that dominates the architecture. The property is entered on the living level with a spacious light and airy hallway and the domed ceiling in full view. Just to the left is the living and dining area with access to the covered terrace overlooking the pool. The fully fitted kitchen opens onto the dining area. Also on the living level is one of the en-suite bedrooms with a dressing area and patio doors opening opening onto the terrace. Three more en-suite bedrooms are all located on the lower level offering direct access to the pool area. All of the bedrooms in the house are generously proportioned with built-in wardrobes and air conditioning. The pool has recently been renewed and the low-maintenance garden has lots of mature trees and pathways going around the property. On the lower level there is a garage and laundry room. The property also features a roof terrace offering spectacular views over Carvoeiro and out to the ocean. This charming villa has been used by the current owners as a holiday home and for holiday rentals taking full advantage of the excellent location close to Carvoeiro and the beach but could also be an excellent family home.
