Unique Opportunity: Mixed Building in the Rural Heart of Faial, Santana

Discover the perfect getaway and investment potential in the picturesque Parish of Faial, in the Municipality of Santana. We present a Mixed Building (Rustic and Urban) that combines the tranquility of the countryside with a solid support structure.

This unique property consists of:

A House for Housing: The urban core, ready to be rehabilitated or transformed into your dream home.

Irrigated Agricultural Culture: A vast rustic land with water resources, ideal for sustainable cultivation and the practice of agriculture.

Ideal for Your Vision

This mixed building is a blank canvas in the idyllic setting of the North Coast of Madeira, known for its exuberant nature and tradition.

Rural and Agricultural Projects: Resume the roots of agriculture in Madeira, taking advantage of the fertile and irrigated land for your own production or local business.

Rural Tourism: With the growing demand for authentic experiences and contact with nature, the property offers the perfect potential to develop local accommodation, agritourism or nature tourism, in line with the enhancement of the Santana Biosphere.

If you are looking for an investment with soul and growth potential in one of the most beautiful places on the island, this is your opportunity to create a project that is truly integrated into the tradition and landscape of Faial.
