Omschrijving:

15 km from Cajarc, this agricultural building consists of 340 m² covered and closed (divided into three distinct parts), an outbuilding of 32 m² and a covered - and open - part of 64 m². Currently, the largest part covered - and closed - is used for storage. With its 7.50 m height under the ridge and 4 m height for the openings, it is ideal for storing caravans, agricultural equipment or other equipment. Its open part is currently used to store bales of hay but could easily be used as covered parking. Finally, its 32 m² outbuilding offers another possibility of additional storage. With its easy access and its large volumes, this agricultural building will delight anyone looking for a large storage space, closed and in very good condition.
