Omschrijving:	

Open views over the countryside, close to all amenities, new apartment, elevator, terraces, garages for sale in Città della Pieve. By the ancient walls of Città della Pieve, within a newly constructed building now nearing completion, a selection of elegant apartments of varying layouts and sizes are available for sale. The building enjoys a privileged position just a short walk from the historic centre, with shops, restaurants and essential amenities close at hand, and offers a captivating open view over the gentle Umbrian countryside. Each apartment has been thoughtfully designed to combine comfort with practicality, featuring independent systems and high-quality finishes throughout. The interiors are bright and well proportioned, making them perfectly suited as a main residence, a holiday home, or a sound property investment. Private garages are also available for purchase with asking prices from euro 14.000. The apartments are already in the final stages of completion and can be fully viewed, allowing prospective buyers to appreciate the quality of construction and the tranquil, panoramic setting. Delivery is expected by spring 2026, presenting an appealing opportunity for those seeking a modern home in one of Umbria's most authentic and enchanting hilltop towns.
