Omschrijving:

Golden Visa Commercial Space for sale in Kallipoli Piraeus. This exceptional 232 sqm commercial space, located on the 3rd and 4th floors of a modern building in Kallipoli, offers a standout opportunity for investors seeking a Golden Visa–eligible property in one of Piraeus' most dynamic and strategically positioned neighborhoods.

Built in 1996 and classified under Energy Class C, the property is fully cross-ventilated, bright, and designed to support a wide range of business uses. Its clean layout, modern infrastructure, and stable structure make it suitable for offices, corporate headquarters, educational facilities, medical practices, or flexible multi-space commercial use.

The interior benefits from false ceilings, aluminum window frames, a dedicated ventilation system, and autonomous heating with individual electric installation, ensuring efficient climate control and low operational costs.

Fully equipped with air-conditioning, the space guarantees comfortable working conditions throughout the year.

A major advantage of this property is the inclusion of 2 private underground parking spaces, a rare and valuable asset in Kallipoli where parking is limited. These are already incorporated into the sale price, offering immediate convenience for staff or clients.

Located in a sought-after area close to transportation, major roads, shops, and the coastal zone, this commercial space provides exceptional accessibility and long-term investment potential.

A modern, well-equipped, and strategically positioned 232 sqm Golden Visa commercial property — an ideal investment for businesses or international buyers seeking stability, flexibility, and strong long-term value in Piraeus.
