Omschrijving:	Penthouse for sale in Nea Chora.

This bright and airy 107 m<sup>2</sup> penthouse is ideally positioned in the heart of Nea Chora, just a short walk from the sea and the historic center of Chania. Set on the 4th floor of a well-maintained residential building (constructed in 1976 and partially renovated in 2022), the apartment benefits from an elevator and offers a rare advantage for the neighborhood: a private double parking space on the pilotis.

The interior features a spacious living and dining area with a beautiful stone fireplace, an independent kitchen, a well-kept bathroom, and three generously sized bedrooms with built-in wardrobes. A sliding door separates the bedroom wing from the living areas, ensuring privacy and a quiet atmosphere, ideal for families or those working from home. High-quality mahogany carpentry throughout the apartment adds warmth, character, and timeless elegance.

One of the home's standout features is the impressive 40 m<sup>2</sup> veranda, complete with a built-in BBQ and decorative stone elements. This expansive outdoor space offers open views toward the White Mountains and lateral views of the Venetian Walls, creating a unique backdrop for everyday living and entertaining. At the rear, an additional balcony overlooks a peaceful garden and open courtyard, enhancing natural light and cross-ventilation throughout the day.

Classified under Energy Class E, the apartment stands out for its solid construction quality, abundant

daylight, and seamless indoor-outdoor flow.

The location is exceptionally convenient, set within a quiet and traditional neighborhood of Nea Chora. A park and the local open-air market are just 100 meters away, while a supermarket and the Venetian Walls are only 150 meters from the property. The beach of Nea Chora lies just 400 meters away, and a nearby bus stop provides easy access to the coastal promenade. Chania's vibrant city center is also within comfortable walking distance.

A rare opportunity in Nea Chora — a residence that offers the lifestyle, charm, and practicality that buyers consistently seek in Chania.
