Omschrijving:

Plot of land with 3,300 m2 very well located just a few minutes from the center of Boliqueime.

Inserted in a quiet area and with an unobstructed view of the sea, this land is in an area with great potential for appreciation.

Although it is currently classified as rustic, its proximity to the urban area places it in a strategic position for future changes in future land use.

This is an area in great expansion, where urban development is growing, which can make this land a safe bet for investors or individuals with a vision of the future.

Don't miss this opportunity to acquire land with potential for future profitability, in one of the most promising areas of the Algarve.
