Omschrijving:	

A unique opportunity in the center of Konitsa! This ground-floor apartment of 152 sq.m, fully renovated in 2020, combines the comfort of the city with the tranquility of a large garden of 844 sq.m. With a southern orientation and two parking spaces, it is an ideal choice for a family home or investment. The property is developed on the ground floor and consists of two spacious bedrooms, a bright living room that serves as the heart of the house, a functional kitchen, a full bathroom, and an additional WC. The ceramic tiled floors, security door, and energy-efficient aluminum frames with double glazing guarantee modern comfort. The independent oil heating with boiler, full sound insulation and thermal insulation, and energy class C make it economical and efficient. A major bonus is the 30 sq.m storage and the 2 open-air parking spaces.

Area & Neighborhood

The property is located in the center of Konitsa, in a quiet neighborhood ideal for families. Just a breath away is the central square, school, church, and supermarket, while public transport is excellent. Konitsa is the gateway to the Vikos Gorge and the Aaos River, offering endless opportunities for mountain activities and tourism. The area combines traditional architecture with modern living, making it a popular destination year-round.
