Omschrijving:	

Located in one of the most sought-after addresses within Quinta do Lago, this newly built contemporary villa offers a refined balance of architectural design, comfort, and advanced technology. Set within the prestigious Parque Atlântico area and close to the beach, lake, golf courses, and resort amenities, the property enjoys a private and tranquil setting while remaining at the heart of one of Europe's most exclusive resorts.

The villa is arranged over three main levels, all served by a lift, and welcomes you through a striking double-height entrance hall that immediately sets the tone for the home. The ground floor features a spacious open-plan living and dining area with a double-sided fireplace, a high-spec fully fitted kitchen with island, and a separate chefs kitchen. This level also includes an office suite with shower room and three generous en-suite bedrooms, all opening directly onto the pool deck and outdoor terraces, creating a seamless indooroutdoor flow.

The first floor hosts two further en-suite bedrooms, including the main suite with separate his and hers bathrooms, walk-in wardrobes, private terraces, and elevated views over the surrounding greenery. Above, the rooftop terrace provides an impressive outdoor living space with a covered lounge and bar area, panoramic sea views, and a spiral staircase leading to an observation deck designed to enjoy sunsets and views over the Ria Formosa landscape.

The lower level is dedicated to leisure and wellbeing, offering a cinema room with bar, games area, wine cellar, gym, spa facilities including sauna, hammam, massage room and yoga studio, as well as a fully self-contained two-bedroom guest apartment with kitchenette and living area. Outside, the landscaped gardens frame a heated swimming pool, sunken lounge with fire pit, covered dining and BBQ areas, and generous terraces. This villa is ideally suited as a permanent residence, luxury holiday home, or high-end rental investment in Quinta do Lago.

Features and fittings mentioned are subject to agreement and verification between the vendor and the buyer.

Energy rating: A
