Exceptional top-floor, 2-bedroom apartment for sale on Dohány Street with stunning panoramic views

This 92 sqm apartment is located at the very beginning of Dohány Street, in one of the most sought-after areas of District VII, in the historic Jewish Quarter, directly opposite the Synagogue. The neighborhood is vibrant and lively, offering a wide selection of shops, theaters, cafés, restaurants, and bars.

The apartment is situated on the 6th and top floor of a well-maintained residential building; the building is equipped with an elevator. From the apartment's terrace, there is a direct and unobstructed view of the Synagogue—an exceptionally rare feature, as very few properties of this kind are available on the market.

The property comprises an open-plan living room with an American-style kitchen and dining area, two equally sized bedrooms, two bathrooms, and a terrace opening from the living room.

The apartment underwent a full renovation a few years ago and has since been occupied by long-term, reliable tenants.

It is fully furnished, air-conditioned, and fully equipped. The purchase price includes all furniture, appliances, and equipment, making it an excellent choice both for private use and as an investment.

The location is also ideal in terms of public transportation: three metro lines intersect at nearby Deák Square, while several tram and bus lines are within just a few minutes' walk.
