Omschrijving:

Fully Off-Grid 4-Bedroom Villa with Pool, Land & Panoramic Views - Olvera

Set on the outskirts of the highly sought-after white village of Olvera, this impressive 4-bedroom, 2-bathroom villa offers complete privacy, sustainability, and excellent accessibility, all within easy reach of local amenities.

The villa is fully off-grid, powered by a full solar energy system, and benefits from its own well water as well as a substantial 65 million-litre rainwater storage tank, providing exceptional water security. The property also features a saltwater swimming pool, ideal for enjoying the Andalusian climate.

With approximately 242 m² of constructed space, the villa sits on a generous 5,000 m² plot of land. The grounds are beautifully productive, including 50 olive trees, a variety of fruit trees, vines, and a well-established vegetable garden, making this an ideal property for those seeking a more self-sufficient lifestyle.

The property enjoys far-reaching open countryside views and has direct access straight off the main road, with no track, ensuring easy year-round access. Inside the property is open plan living with large windows and a beautiful covered patio to go with all of the outdoor spaces.

This villa is perfectly suited as a permanent residence, rural retreat, or lifestyle investment, combining comfort, land, and sustainability in one of Cadiz province's most desirable locations.
