Prime Location - Sea-View 6-Bedroom Villa | Heated Pool, Jacuzzi & Tennis Court | Carvoeiro Center

Set in a peaceful and highly sought-after position just a short walk from the heart of Carvoeiro, this distinctive villa is set on a generous 4,035 m² plot and offers a rare combination of space, privacy, and panoramic coastal scenery. From its elevated position, the property enjoys open sea views extending towards Lagos and Sagres, while the Serra de Monchique creates a dramatic and picturesque backdrop to the rear.

Occupying an impressive plot, the villa is approached through electric gates and a traditional calçada driveway, immediately conveying a sense of seclusion despite its central location. The grounds are one of the property's defining features, with mature landscaped gardens, a recently upgraded tennis court, and an inviting leisure area that includes a 13 x 6 m heated saltwater swimming pool and jacuzzi.

Designed to accommodate a variety of lifestyles, the villa comprises six bedrooms within the main house, complemented by an independent poolside studio and a separate tower with its own bathroom, ideal for a home office, creative space, or private guest suite. This versatile layout makes the property equally

suitable as a permanent residence, a multi-generational family home, or a lucrative rental investment.

The interior combines traditional Algarve character with modern comfort. On the ground floor, a generous triple-aspect living room with vaulted ceilings and a fireplace opens onto terraces and garden areas, creating a seamless indoor-outdoor flow. A bright dining room and a renovated kitchen with multiple preparation and storage areas provide both practicality and charm, with direct access to an outdoor dining terrace. Several bedrooms on this level benefit from en-suite or shared bathroom facilities and terrace access.

The upper floor is dedicated to a light-filled en-suite bedroom with vaulted ceilings and a private terrace overlooking the pool and the Atlantic beyond. The tower, featuring arched windows and sea views, adds a unique architectural element rarely found in properties of this kind.

Further features include a double garage, ample off-road parking, double-glazed PVC windows, newly installed air-conditioning units, fireplaces, and solar panels for hot water. The villa is partially furnished and ready for immediate enjoyment.

Within easy walking distance of beaches, restaurants, cafés, shops, and local amenities, as well as close to international schools, this property offers a lifestyle that balances tranquillity with convenience.

A unique Algarve villa with scale, character, and exceptional location.
