Omschrijving:	

Agricultural warehouse with land located in Teira, a village in the municipality of Rio Maior, with the possibility of building up to 226 m² in a quiet, green, and very welcoming environment. This 760 m² plot with an agricultural warehouse offers exceptional potential for those looking to develop a housing project, as it can be repurposed to create a modern home in a privileged location.

The warehouse has a defined main entrance and can easily be converted, for example, into a garage or technical area.

Strengths of the property

- 760 m² plot
- Possibility of building up to 226 m²
- Large garden exposed to the sun throughout the day
- Calm, safe, and very pleasant environment
- Great potential for appreciation, ideal for your own residence, vacation home, or investment
- Existing structure that provides a solid foundation for the development of your project

* Water well

Location

- Just 10 km from the city of Rio Maior
- 30 minutes from Caldas da Rainha
- 1 hour from Lisbon
- Close to shops, services, and road access

A rare opportunity for those looking for a property to renovate with character and great potential!

Who are we? iad (real estate at home) is a network of independent property consultants based on a fully innovative model that breaks with the traditional concept of a real estate agency. What are 21st century clients looking for when they decide to buy, rent or sell a property? They are looking for a complete, uncomplicated and competitive service. That's what we offer at iad. We don't have shops, our consultants come to you, with access to the latest training in the sector and a platform of exclusive tools that allow them to provide you with the best service wherever you are. We give our consultants the flexibility and autonomy needed to guarantee you personalised support in realising your project, whether it's buying, renting or selling a property. At iad you'll find a property consultant tailored to your needs.

For any further information, please do not hesitate to contact me.
