Omschrijving:	

Modern architecture villa currently under construction, designed to offer comfort, functionality, and a contemporary lifestyle in perfect harmony with the outdoors.

Set on a carefully planned plot of 1,136 sqm, this property features a total construction area of 296 sqm and stands out for its elegant lines, large glazed surfaces, and excellent sun exposure, allowing a seamless connection between the interior spaces, the garden, and the swimming pool area.

The ground floor comprises an entrance hall, a spacious living and dining room with direct access to the pool, a fully equipped open-plan kitchen, three bedrooms—two of which are en suite—and a guest bathroom. The intelligent layout and abundant natural light provide a welcoming and functional living environment.

The basement level, with 132 sqm, includes a garage with capacity for several vehicles, a technical area, a machine room, and a laundry room, ensuring practicality and ample storage.

Outside, the garden surrounds the property, creating a peaceful and private setting ideal for leisure moments. As a distinctive feature, the villa also benefits from pleasant sea views, enhancing the sense of exclusivity and well-being.

An excellent opportunity for those seeking a modern villa under construction, with customization potential, set in a privileged residential location.
