### Omschrijving:

Attention entrepreneurs and investors! We present this incredible plot for sale located in Santa Úrsula, Tenerife. This town is located in the northwestern part of the island, close to Puerto de la Cruz and has a population of approximately 15,000 inhabitants.~~The plot is located on consolidated urban land, which offers an excellent opportunity to develop a project in a strategic location. The type of building is a closed construction with two floors above ground and one below ground, allowing a residential construction of 365m<sup>2</sup> and a below ground area of 257m<sup>2</sup>.~~The land has a total of 625m<sup>2</sup>, providing enough space to develop a magnificent building that integrates perfectly with the beautiful landscape characteristic of the area. The coast and the summit are combined here, offering an impressive natural environment crossed by various ravines.~~The climate is another highlight, being benevolent and pleasant throughout the year, which makes Santa Úrsula an ideal place to live. In addition, the transformation of its economy from agriculture to services, especially the hotel industry, represents an additional attraction for future residents and visitors.~~The plot is located in an area rich in services, with access to buses, shopping centers, medical centers, schools and supermarkets. In addition, the proximity to the coast offers the possibility of enjoying the beach and all that it offers.~~All of this adds up to the excellent opportunity this plot presents, priced at just €90,000. If you are looking to invest in a promising project in a privileged location, this is your opportunity. Do not miss this great opportunity for entrepreneurs and investors!~
