### Omschrijving:

Located in the charming town of Carsac-Aillac (24200), this building plot of 2688 m<sup>2</sup> offers a peaceful living environment in the heart of the countryside. In the immediate vicinity are educational facilities such as schools, a high school, a middle school, and a nursery, thus providing an environment conducive to family development. The tranquility of this locality combined with its proximity to essential services make it an ideal place to consider building a main or secondary residence.

This entirely wooded plot of land has a flat surface area of 2688 m<sup>2</sup>, thus offering numerous development possibilities. Its location set back from the hustle and bustle of the city makes it a haven of peace for nature lovers. With its generous dimensions, it allows the realization of a tailor-made construction project, offering the possibility of creating a unique and personalized living space. A rare opportunity to realize your dreams of a tailor-made property, in perfect harmony with a preserved natural setting.
