A commercial space located on the ground floor, with a total area of 80.78 m², is offered for sale. The space is currently functionally divided into two separate units, each with its own entrance. Since the partition is made of drywall, the space can easily be converted into a single unit.

It consists of four rooms and three bathrooms and is equipped with two air-conditioning units. Two outdoor parking spaces are included in the price. The property requires renovation.

It is situated in an excellent location, directly next to the main road and only 500 meters from the historic old town of Trogir.
