### Omschrijving:

In a stunning leafy corner of the Canavese area, near Turin, there is this ancient castle for sale, just 30 km from Turin's airport and 100 km from Milan Malpensa airport. Currently an events venue, with a part also dedicated to accommodation, this castle stands on the walls of a 10th-century fortress. The property has two distinct parts, connected by a raised bridge: on one side the actual castle, made up of buildings built between the 13th and 14th centuries and remodeled in the 18th century. On the other side, we have the oldest part of the complex, dating back to 1100, which has maintained its original medieval architecture even after the 18th-century renovations. These elegant and refined spaces are currently home to a luxury resort, with ten themed bedrooms, big living rooms and dining rooms with fine period furnishings. This majestic castle measures 7,545 sqm and has three floors: the main floor boasts splendid frescoes in every room, while the other two need restoration. A huge centuries-old park and an elegant 17th-century Italian garden frame this fascinating castle. Ref: 8237
