Omschrijving:	

- This generously proportioned 5-room apartment on the 1st floor offers a rare opportunity to create a truly individual home in one of Berlin's most vibrant and evolving neighbourhoods. While the property is in need of renovation, its size, layout, and additional spaces make it an exciting prospect for buyers with imagination and ambition.

High ceilings, well-defined rooms, and abundant natural light provide an excellent foundation for a modern family home, a shared living concept, or a stylish urban retreat. Adding to its appeal are two balconies connected to the apartment, as well as a large storage room in the loft—a real highlight—which even comes with its own balcony, offering surprising extra value and flexibility.

Located in Berlin-Neukölln, the area blends lively city life with green escapes. Nearby parks invite relaxation, jogging, and outdoor leisure, while the surrounding streets are filled with cafes, bakeries, international restaurants, and everyday shopping options. Excellent public transport connections ensure

quick access to Kreuzberg, Mitte, and the rest of the city, making the location both practical and highly desirable.

With the right vision, this apartment can be transformed into a warm, spacious, and character-filled home that truly reflects your lifestyle.

City area

Located in the south of Berlin, Neukölln is a cosmopolitan and bohemian neighborhood. The numerous stalls of the mythical Sonnennallee and the colorful market of Maybachufer testify to the important multicultural community. There are also trendy young people from around the world, especially around the Weserstrasse, which is full of bars, vegan restaurants and designer boutiques. In the heart of Neukölln, the large Hasenheide park, between Hermannplatz from and the former Tempelhof airport, will delight outdoor enthusiasts. To the south of the town hall, Rixdorf is a charming neighborhood with the airs of villages around the Richardplatz. There are many small cafes, cobbled walks, and urban houses. For several years Neukölln has experienced unprecedented economic and property development. Every year, the famous "48 hours of Neukölln", open doors of workshops, are the opportunity to meet the many artists living in this neighbourhood.
