The property offers a magnificent combination of spaciousness, functionality, and elegance, with a layout designed for comfortable and sophisticated family living. It boasts 228 m² of built area, of which 215 m² comprise the living space. The daytime area features a spectacular, bright living-dining room of over 34 m², connected to a spacious designer kitchen of over 30 m², conceived as a social space with a central island and breakfast area, ideal for both everyday use and entertaining. The nighttime area comprises four spacious double bedrooms, including an elegant master suite with a dressing room and ensuite bathroom. The remaining bedrooms are generously sized and are complemented by two additional full bathrooms, all with high-end finishes. The property also features a multipurpose space, ideal as an office, home office, or maid's quarters, highly valued by both families and international buyers. Two interior courtyards provide natural light, cross-ventilation, and a pleasant sense of calm and privacy throughout, creating a balanced and peaceful home in the heart of the city. The renovation was carried out with premium materials and a carefully considered contemporary design that respects the character of the Eixample district, incorporating natural herringbone wood floors, top-quality carpentry, designer faucets, and exclusive finishes in the kitchen and bathrooms. The price does not include taxes or expenses associated with the sale, such as notary fees, property registration fees, administrative fees, and taxes (ITP, VAT, and AJD, as applicable).
