Exclusive residence in the castle park above Ambras Castle in Innsbruck - Austria

The Villa am Schlosspark is an exceptional new-build residence in one of Innsbruck's most sought-after residential areas. Located above the historic Ambras Castle, this project combines architectural elegance, modern living comfort and the unmistakable charm of a historic building. The villa comprises two exclusive residential units (Top I and Top II) and is part of a high-quality complex with park-like open spaces.

The property is located in Innsbruck, in a quiet, elevated position with high recreational value. The adjacent Ambras Castle Park, extensive hiking trails and the proximity to nature offer ideal conditions for nature lovers and those seeking peace and quiet.

- + Very good connections to Innsbruck city center, the main train station and shopping facilities (less than 10 minutes' drive)
- + Public transport (bus line 4134, local train line 6) within walking distance
- + Quick connection to the Inntal highway

The villa will be completely rebuilt, whereby the historic outer shell of the building, which was originally built around 1820, will be retained true to the original. The façade divisions, cornices, chamfers and the classic roof shape with clay tiles will preserve the historical character, while the most modern

The property is situated in one of the most attractive locations in Innsbruck, the capital of Tyrol, which is considered the cultural, economic and tourist center of the region. The city combines urban life with close proximity to the impressive Alps, offering a unique quality of life.

A wide range of shopping facilities, restaurants, cafés and cultural institutions such as museums, theaters and event centers can be found in the immediate vicinity. Schools, kindergartens and medical care facilities are also within easy reach, making the location particularly family-friendly.

The transport links are excellent: public transport such as buses and trains as well as the connection to the Innsbruck ring road and the A12 highway ensure fast connections within the city and to the surrounding regions. In addition, Innsbruck International Airport is only a few kilometers away.

Thanks to this ideal combination of urban infrastructure, excellent connections and proximity to nature, the location offers long-term added value both for owner-occupation and as an investment property.
