Omschrijving:

In the town of Slatine, with a sea view, a building land with a total area of 2046 m² is for sale. The land is in an excellent elevated and quiet position, 150 m from beautiful beaches, and is intended for the construction of a villa or a residential building. The land is located within a built-up construction area, with a minimum construction area of 300 m², and the building coefficient (KIG) is 30%. According to the construction conditions, the permitted height of the building is the ground floor plus two floors, which provides numerous opportunities for the construction of family houses or smaller residential buildings. This location offers a peaceful environment with proximity to all necessary amenities, making it an excellent choice for investment or building your own vacation spot. I am available for any additional questions....

For this property contact our agent on telephone number +385 99 400 6073.
