This modern development, with only 3 floors, consists of 24 residential units, which are distributed over 4 blocks (6 apartments each block) with independent access, each with stairs and elevator, for greater convenience and privacy.

In addition to the generosity of the interior space (88m²), the outdoor areas and the functionality of the space stand out:

2 bedrooms with built-in wardrobes, both facing west (one of them suite), with 15.25m² and 12.70m²
2 bathrooms

The 2 private gardens stand out, one facing east with 55.54m² and the other to the west with 52.40m²

In terms of finishes and equipment of the unit, the following should be highlighted:
