Omschrijving:	Perfect Investment – Rare Opportunity in Lagoa de Albufeira

Discover this unique opportunity just steps away from the beautiful Lagoa de Albufeira. Set on a private 494 m² plot at the end of a quiet cul-de-sac ensuring absolute peace and privacy, the property enjoys a serene setting with open views over the surrounding forest.

Built on stilts, the house is fully protected against moisture: no rising damp from the ground and no interior humidity issues. A major advantage for long-term comfort and durability.

Composed of four harmoniously integrated containers, the home features a spacious and bright living area, two bedrooms, an office, a bathroom, and a separate toilet. The generous layout still allows you to personalize the finishes according to your taste.

Perfectly insulated and equipped with a pellet stove capable of heating the entire house, it offers excellent comfort and energy efficiency.

A rare property, ideal as a primary residence, holiday home, or strategic investment in a highly sought-after area.
