Omschrijving:	

Discover an excellent opportunity to acquire a modern residence in the heart of the city of Ioannina. This is a fully renovated apartment of 60 sq.m. (2nd floor), built in 1983, which was radically transformed in 2025, offering modern amenities, energy efficiency, and immediate access to all central infrastructures. Ideal for investment, income from Airbnb, or permanent residence for professionals, students, and young couples.

The apartment features a comfortable bedroom, a large living room that can also be configured as a reception area, a functional kitchen, and a full bathroom. The radical renovation of 2025 includes individual heating with a heat pump (low energy cost), soundproofing, and thermal insulation for year-round comfort, radiators, and aluminum frames with double energy-efficient glazing. The southern orientation and corner location ensure plenty of natural light throughout the day, making the property bright, airy, and sunny, while the balcony offers space for relaxation. The tiled floors, security door, screens, and energy class B guarantee quality and low operating costs.

The center of Ioannina serves as the focal point of the city's economic and social life, with immediate access to all amenities. The property is located close to schools, churches, supermarkets (Agorá Mini Market, Masoutis, Express Market), retail stores, and services. The urban transport service serves the area with numerous lines (1, 2, 4, 6, 7, 8, 9, 10, 11, 12, 16, 17, etc.), while there are also free routes to and from the center. The central square, market, cafes, and restaurants are within walking distance, making the property ideal for those who wish to live in the center of the action.
