Discover an exceptional opportunity to acquire a property in one of the quietest and most sought-after sailing resorts of Lefkada. This is a 106 sq.m. (1st floor) apartment, built in 1984 and renovated in 2000, which combines residential comfort with tourism exploitation potential, offering unobstructed sea views and direct access to the beach. There is the possibility to purchase the ground floor (same area of 106 sq.m.) for complete autonomy and maximum investment return.

The apartment features two comfortable bedrooms, a spacious living room, a functional kitchen, a full bathroom, and a separate WC, while the veranda offers space for relaxation with sea views. The 2000 renovation ensured aluminum frames with double glazing and screens, while the independent oil heating allows for energy management. The property is a bright, airy, and sunlit apartment with a through layout and southern orientation that ensures excellent lighting and ventilation. The condition is good, ready for immediate use as a holiday home or short-term rental (Airbnb), while the 266 sq.m. plot offers communal areas and a parking space. The property has a cesspool, pets are allowed, and there are no common expenses.
