Omschrijving:

Spacious villa located in São Carlos, ideal for families looking for comfort, space and a practical location for everyday life. This property stands out for its generous size and the excellent distribution of the rooms, offering a welcoming and functional environment to live in tranquility.

The house has five large bedrooms, with good natural light, providing comfort and privacy for all members of the family. These spaces can easily be adapted to different needs, such as additional bedrooms, office, study room or even a leisure space. The natural light present in the rooms creates a pleasant and welcoming atmosphere throughout the day.

The villa also has two functional bathrooms, well distributed throughout the house, designed to ensure practicality in the family's daily life. The social area offers comfortable areas that allow moments of conviviality between family and friends, creating a perfect environment to receive visitors or simply enjoy moments of rest.

One of the great highlights of this property is the presence of a garage, offering convenience and security for parking.
